The consolidated financial information of KB Financial Group Inc. (the “Group”) presented herein is based on the Korean International Financial Reporting Standards(K-IFRS). It is currently being audited by the Group’s independent auditor, and accordingly, is subject to change.

The consolidated financial information presented herein is based on Korean IFRS9(K-IFRS9). Note that the financial results for years before 2017 contained herein have not been restated retrospectively.

From 2018, for better peer comparison purpose, the Group reclassified certain interest income out of Net Gain/Loss on Financial Assets at FVPL under Other Operating Profit to Interest Income under Net Interest Income. Note that beginning from the financial results for 2017 contained herein have been restated retrospectively.

As KB Insurance and KB Capital became wholly-owned subsidiaries of the Group on July 7, 2017, the financial results of KB Insurance and KB Capital have been fully consolidated in the Group’s financial statements since 3Q17.

Totals may not sum due to rounding.

**Note & Disclaimer**

1. Embedded value and value of new business results of KB Insurance is for information purposes only and does not constitute an invitation or offer by any person to acquire, purchase or subscribe for securities, and based on the assumptions made by and information currently available to the Group's management.
2. Actual results, performance or events may differ materially from those in the table due to, among other things, (1) general economic conditions, (2) performance of financial markets, (3) the frequency and severity of insured loss events, (4) mortality and morbidity levels and trends, (5) persistency levels, (6) interest rate levels, (7) general competitive factors, (8) changes in law and regulations
3. The embedded value and value of new business results from 2017 to 2019 are based on a consistent set of major assumptions.
4. KB Financial Group assumes no legal obligations to any claims on the investment result based on information provided in this table
